

Arts and Humanities

Code	Area of Studies	Program title	Degree
07.03.01	Architecture	Architectural Engineering	Bachelor
07.04.01	Architecture	Architecture	Bachelor
23.03.02	Ground Transportation and Technological Complexes	Engineering of Transport and Technological Complexes	Bachelor
23.03.03	Operation of Transportation-and-Technological Machines and Complexes	Branded Car Service	Bachelor
23.03.03	Operation of Transportation-and-Technological Machines and Complexes	Operation, Repair and Maintenance of Vehicles	Bachelor
23.03.03	Operation of Transportation-and-Technological Machines and Complexes	Engineering and Operation of Transport Systems	Bachelor
23.04.02	Ground Transportation and Technological Complexes	Advanced Means of Transport	Master
23.04.02	Ground Transportation and Technological Complexes	Vehicle Design	Master
23.05.01	Ground Transportation and Technological Equipment	Advanced Means of Transport	Specialist
23.05.01	Ground Transportation and Technological Equipment	Lifting-and Conveying Machines and Road-Building Equipment	Specialist
23.05.01	Ground Transportation and Technological Equipment	Vehicles and Tractors	Specialist
23.05.01	Transportation and Technological Equipment	Sports Transport Means	Specialist
29.03.03	Technology of Polygraphic and Packaging Production	Design and Technology of Packaging Creation	Bachelor
29.03.04	Technology of the Artistic Processing of Materials	Advanced Technologies for Production of Artistic and Industrial Objects	Bachelor
29.03.04	Technology of the Artistic Processing of Materials	Technology of the Artistic Processing of Materials by Pressure	Bachelor
29.03.04	Technology of the Artistic Processing of Materials	Technological Engineering in Modern Production of Art Products	Bachelor
54.03.01	Design	Industrial Design	Bachelor
54.03.01	Design	Transport Design	Bachelor
54.03.01	Design	Graphic Design of Multimedia	Bachelor
54.03.01	Design	Graphic Design	Master
54.03.01	Design	Digital Media Design	Master
54.05.03	Graphics	Design of Printed Products	Specialist

Engineering & Technology

Code	Area of Studies	Program title	Degree
01.04.02	Applied Mathematics and Informatics	Information Security in Web Development and Cloud Technologies	Master
08.03.01	Construction	Industrial and Civil Construction	Bachelor
08.05.01	Construction of Unique Buildings and Structures	Construction of High-Rise and Large-Span Buildings	Specialist
09.03.01	Informatics and Computing Engineering	Web Technologies	Bachelor
09.03.01	Informatics and Computing Engineering	Integration and Programming in CAD	Bachelor
09.03.01	Informatics and Computing Engineering	Automation Systems	Bachelor
09.03.01	Informatics and Computing Engineering	Integration of CAD Solutions in Mechanical Engineering	Bachelor
09.03.01	Informatics and Computing Engineering	Software for Computers and Automated Systems	Bachelor
09.03.01	Informatics and Computing Engineering	Software of Information Systems	Bachelor
09.03.01	Informatics and Computing Engineering	Automated Systems of Control and Data Processing	Bachelor
09.03.02	Information Systems and Technologies	Software for the Gaming Computer Industry	Bachelor
09.03.02	Information Systems and Technologies	Information Systems and Technologies for Processing Digital Content	Bachelor
09.03.02	Information Systems and Technologies	Information and Automated Systems of Control and Data Processing	Bachelor
09.03.02	Information Systems and Technologies	Information Systems and Technologies for Processing Digital Content	Bachelor
09.03.02	Information Systems and Technologies	Information Technologies in the Media Industry and Design	Bachelor

Code	Area of Studies	Program title	Degree
09.03.02	Information Systems and Technologies	Information Technologies in the Media Industry	Bachelor
09.03.02	Information Systems and Technologies	Augmented and Virtual Reality Technologies for Printing Production	Bachelor
09.03.02	Information Systems and Technologies	Mixed Reality Technology	Bachelor
09.03.02	Information Systems and Technologies	Information Technologies and Design	Bachelor
09.03.02	Information Systems and Technologies	Augmented and Virtual Reality Technologies in Media Industry	Bachelor
09.03.03	Applied Informatics	Corporate Information System	Bachelor
09.04.01	Informatics and Computing Engineering	Computer Linguistics and Artificial Intelligence	Master
09.04.01	Informatics and Computing Engineering	Electronic Editions and Multimedia Systems	Master
09.04.01	Informatics and Computing Engineering	Medical Intelligent Systems	Master
09.04.02	Information Systems and Technologies	Intelligent Digital Content Processing Technologies	Master
10.03.01	Information Security	Computer System Security (Cybersecurity of the New Information Environment)	Bachelor
10.03.01	Information Security	Computer Systems Security	Bachelor
10.04.01	Information Security	Information Security in Web Development and Cloud Technologies	Master
10.05.03	Information Security of Computerized Systems	Information Security of Distributed Information Systems	Specialist
11.03.01	Radiotechnics	Long-Distance Communication Systems	Bachelor
13.03.01	Thermal Power Engineering and Heating Engineering	Heat and Power Units, Systems and Complexes	Bachelor
13.03.01	Thermal Power Engineering and Heating Engineering	Industrial Thermal Power Engineering	Bachelor
13.03.01	Thermal Power Engineering and Heating Engineering	Power Supply of Enterprises	Bachelor

Code	Area of Studies	Program title	Degree
13.03.02	Electrical Power Engineering and Electrical Engineering	Electrical Equipment and Industrial Electronics	Bachelor
13.03.02	Electrical Power Engineering and Electrical Engineering	Electricity Supply	Bachelor
13.03.03	Power Engineering	Automated Power Plants	Bachelor
13.03.03	Power Engineering	Power Plants for Transport and Small Power Engineering	Bachelor
13.04.01	Thermal Power Engineering and Heat Engineering	Distributed Thermal Energy	Master
13.04.02	Electrical Power Engineering and Electrical Engineering	Electric Power Sources, Complexes and Systems	Master
13.04.03	Power Engineering	Power Plants for Transport and Small Power Engineering	Master
15.03.01	Mechanical Engineering	Machines and Technologies for High-Efficiency Processing	Bachelor
15.03.01	Mechanical Engineering	Machines and Technologies for Materials Processing by Pressure	Bachelor
15.03.01	Mechanical Engineering	Machines and Technologies for Materials Processing by Pressure in Metalware Industries	Bachelor
15.03.01	Mechanical Engineering	Mechanical Engineering	Bachelor
15.03.01	Mechanical Engineering	Equipment and Technology of Welding Industry	Bachelor
15.03.02	Technological Machines and Equipment	Technological Equipment for Chemical and Petrochemical Industries	Bachelor
15.03.02	Technological Machines and Equipment	Printing Machines and Automated Systems	Bachelor
15.03.02	Technological Machines and Equipment	Print Media Complexes	Bachelor
15.03.02	Technological Machines and Equipment	Printmedia Systems and Complexes	Bachelor
15.03.04	Automation of Technological Processes and Production	Microprocessor-based Automation Systems	Bachelor
15.03.04	Automation of Technological Processes and Production	Computer Systems in Printed and Electronic Media	Bachelor
15.03.04	Automation of Technological Processes and Production	Automation of Technological Processes and Productions	Bachelor
15.03.04	Automation of Technological Processes and Production	Automation and Engineering of Packaging and Printing Production	Bachelor
15.03.04	Automation of Technological Processes and Production	Robotic Systems	Bachelor

Code	Area of Studies	Program title	Degree
15.03.05	Design and Technological Support of Machine-Building Production	Mechanical Engineering Technology	Bachelor
15.03.05	Design and Technological Support of Machine-Building Production	Technological Support for the Production of Advanced Machines	Bachelor
15.04.01	Mechanical Engineering	Additive Manufacturing	Master
15.04.01	Mechanical Engineering	Hybrid Technologies in Welding Production and Related Processes	Master
15.04.01	Mechanical Engineering	Comprehensive and High-Efficiency Technologies of Mechanical Engineering	Master
15.04.01	Mechanical Engineering	Machines and Technology of Foundry Industry	Master
15.04.01	Mechanical Engineering	Technological Engineering in the Processing of Materials by Pressure	Master
15.04.02	Technological Machines and Equipment	Engineering in Packaging and Printing Production	Master
15.04.02	Technological Machines and Equipment	Technological Equipment for Chemical Production	Master
15.04.04	Automation of Technological Processes and Production	Computer Systems for Data Collection and Processing in the Media Industry	Master
15.04.05	Design and Technological Support of Machine Building Production	Technological System Engineering in Mechanical Engineering	Master
15.04.05	Design and Technological Support of Machine Building Production	Technological Support for Digital Production	Master
15.05.01	Designing of Technological Machines and Complexes	Engineering of Technological Complexes in Mechanical Engineering	Specialist
16.03.03	Refrigerating, Cryogenic Equipment and Life-Support Systems	Refrigeration Equipment and Technologies	Bachelor
16.04.03	Refrigerating, Cryogenic Equipment and Life-Support Systems	Refrigeration, Cryogenic Equipment and Life Support Systems	Master
18.03.02	Energy and Resource-Saving Processes in Chemical Technology, Petrochemistry and Biotechnology	Technological Equipment for Chemical, Petrochemical and Biotechnological Industries	Bachelor
18.03.02	Energy and Resource-Saving Processes in Chemical Technology, Petrochemistry and Biotechnology	Engineering and Technologies of Polymer Materials	Bachelor

Code	Area of Studies	Program title	Degree
18.05.01	Chemical Technology of Energy-Packed Materials and Articles	Automated Production of Chemical Enterprises	Specialist
19.03.01	Biotechnology	Biotechnology	Bachelor
21.03.01	Oil and Gas Business	Operation and Maintenance of Transportation and Storage Facilities for Oil, Gas and Processed Products	Bachelor
21.03.01	Oil and Gas Business	Construction and Repair of Pipeline Transport System Facilities	Bachelor
21.03.01	Oil and Gas Business	Oil and Gas Business	Bachelor
21.05.02	Applied Geology	Oil and Gas Geology	Bachelor
21.05.03	Geological Exploration Technology	Technology and Equipment for Exploration of Natural Resources Deposits	Bachelor
21.05.04	Mining	Electrification and Automation of Mining Industry	Specialist
21.05.04	Mining	Mining and Underground Construction	Specialist
21.05.04	Mining	Mine Surveying	Specialist
21.05.04	Mining	Open Pit Mining	Specialist
21.05.04	Mining	Mining and Underground Construction	Specialist
21.05.04	Mining	Machines and Equipment	Specialist
21.05.04	Mining	Underground Mining of Ore Deposits	Specialist
22.03.02	Metallurgy	Pressure Metal Treatment	Bachelor
22.03.02	Metallurgy	Innovations in Metallurgy	Bachelor
22.04.02	Metallurgy	Innovations in Metallurgy	Master
23.04.02	Ground Transportation and Technological Complexes	Computer Modeling and Strength Analysis of Transport and Technological Complexes	Master
23.05.01	Ground Transportation and Technological Equipment	Dynamics and Strength of Transport and Technological Systems	Specialist
27.03.01	Standardization and Metrology	Metrological Support for Machine-Building Production	Bachelor
27.03.02	Quality Management	Engineering Methods of Quality Management	Bachelor
27.03.04	Control in the Technical Systems	Electronic Control System	Bachelor

Code	Area of Studies	Program title	Degree
27.03.04	Control in the Technical Systems	Control in Technical Systems	Bachelor
27.03.04	Control in the Technical Systems	Cyber-Physical Systems	Bachelor
27.03.05	Innovation Studies	Additive Technologies	Bachelor
27.04.01	Standardization and Metrology	Standardization and Metrology in Machine-Building Production	Master
27.04.04	Control in the Technical Systems	Control in Robotic Systems	Master
27.04.04	Control in the Technical Systems	Robotic Unmanned Systems	Master
27.04.04	Control in the Technical Systems	Ergonomic Analysis of Interfaces and Advanced Technical Systems	Master
27.04.04	Control in the Technical Systems	Autonomous Information Control Systems	Master
29.03.03	Technology of Polygraphic and Packaging Production	Polygraphic Technologies in Nano-and Microelectronics	Bachelor
29.03.03	Technology of Polygraphic and Packaging Production	Printmedia Technology	Bachelor
29.03.03	Technology of Polygraphic and Packaging Production	Technology of Packaging Production	Bachelor
29.04.03	Technology of Polygraphic and Packaging Production	Printmedia Technology	Master
29.04.03	Technology of Polygraphic and Packaging Production	Intelligent Packaging Technologies	Master

Natural Sciences

Code	Area of Studies	Program title	Degree
01.03.02	Applied Mathematics and Informatics	Big and Open Data	Bachelor
01.04.02	Applied Mathematics and Informatics	Big Data System Analytics	Master
09.03.03	Applied Informatics	Big and Open Data	Bachelor
15.04.01	Mechanical Engineering	Technology of Biocompatible Materials	Master
20.03.01	Technosphere Safety	Technosphere Safety	Bachelor
20.04.01	Technosphere Safety	Environmental Risks Assessment and Control	Master
22.03.01	Materials Science and Technologies of Materials	Advanced Materials in Innovative Technology	Bachelor
22.03.01	Materials Science and Technologies of Materials	Materials Science and Technologies of Materials (Printing industry)	Bachelor

Code	Area of Studies	Program title	Degree
22.03.01	Materials Science and Technologies of Materials	Innovative Materials for Protection of Printed Products Against Falsification	Bachelor
22.03.01	Materials Science and Technologies of Materials	Materials Science in Mechanical Engineering	Bachelor
22.03.01	Materials Science and Technologies of Materials	Innovative Materials for Protection Against Falsification	Bachelor
22.04.01	Materials Science and Technologies of Materials	Printing and Packaging Materials and Technologies	Master

Social Sciences

Code	Area of Studies	Program title	Degree
09.03.03	Applied Informatics	Applied Informatics in Economics	Bachelor
09.04.02	Information Systems and Technologies	Multimedia Systems in the Media Industry	Master
09.04.02	Information Systems and Technologies	Mixed Reality Technologies	Master
20.04.01	Technosphere Safety	Supervision and Inspection Activities in the Area of Work	Master
27.03.02	Management	Quality Management	Bachelor
27.03.02	Quality Management	Audit of Management Systems	Bachelor
27.03.02	Quality Management	Quality Management in Production and Technological Systems	Bachelor
27.03.02	Quality Management	Quality Management in Printmedia Technologies	Bachelor
27.03.02	Quality Management	Quality Management in Hi-Tech Production	Master
27.03.02	Quality Management	Quality Management in Production and Technological Systems	Master
27.03.02	Quality Management	Business Process Management	Master
27.03.02	Quality Management	Quality Management in Printmedia Technologies	Master
27.03.02	Quality Management	Quality Management of Human Asset	Master
38.03.01	Economics	Economics and Finance of Media Organizations	Bachelor

Code	Area of Studies	Program title	Degree
38.03.01	Economics	Accounting, Analysis and Audit in Media Organizations	Bachelor
38.03.01	Economics	Accounting, Analysis and Audit	Bachelor
38.03.01	Economics	Economics	Bachelor
38.03.01	Economics	Commercialization of Scientific and Technical Developments	Bachelor
38.03.02	Management	Management of High-Tech Industries	Bachelor
38.03.02	Management	Management of Organization	Bachelor
38.03.02	Management	Human Resource Management	Bachelor
38.03.02	Management	Management of a Transport Enterprise	Bachelor
38.03.02	Management	Business Management	Bachelor
38.03.02	Management	Media Management	Bachelor
38.03.02	Management	Management of Communications in Science and Technology	Bachelor
38.03.02	Management	Management of Innovative Projects	Bachelor
38.03.03	Human Resource Management	Staff Development Management	Bachelor
38.03.04	State and Municipal Management	Management in a High-Tech Municipality	Bachelor
38.03.04	State and Municipal Management	State and Municipal Management	Bachelor
38.03.05	Business Informatics	Enterprise Architecture	Bachelor
38.03.05	Business Informatics	Business Analytics in the Media Industry	Bachelor
38.03.05	Business Informatics	E-Business	Bachelor
38.03.05	Business Informatics	Management of IT Projects in the Media Industry	Bachelor
38.03.05	Business Informatics	IT Management	Bachelor
40.03.01	Law	Civil - Law	Bachelor
42.03.01	Advertising and Public Relations	Integrated Brand Communications	Bachelor
42.03.01	Advertising and Public Relations	Advertising and Public Relations in Digital Media	Bachelor
42.03.01	Advertising and Public Relations	Industrial Branding	Bachelor
42.03.01	Advertising and Public Relations	Advertising and Public Relations in Media Industry	Bachelor
42.03.01	Advertising and Public Relations	Brand Management in Advertising and Public Relations	Bachelor
42.03.02	Journalism	Periodical Publication and Multimedia Journalism	Bachelor

Code	Area of Studies	Program title	Degree
42.03.03	Publishing Industry	Newspaper and Magazine Publishing	Bachelor
42.03.03	Publishing Industry	Antique Book Business	Bachelor
42.03.03	Publishing Industry	Book Distribution	Bachelor
42.03.03	Publishing Industry	Book Publishing Industry	Bachelor
42.04.01	Advertising and Public Relations	Analysis Technologies in the Media Industry	Master
42.04.01	Advertising and Public Relations	Communication Technologies in the Media Business	Master
42.04.01	Advertising and Public Relations	Advertising Technologies for Scientific and Technical Developments	Master
42.04.01	Advertising and Public Relations	Communication Technologies for Implementing Scientific and Technological Projects	Master
42.04.01	Advertising and Public Relations	Public Relations at the Government Bodies	Master
42.04.02	Journalism	Political Journalism	Master
42.04.02	Journalism	Multimedia Journalism	Master
42.04.03	Publishing Industry	Antique Book Business	Master
42.04.03	Publishing Industry	Publication of Translated Literature	Master
42.04.03	Publishing Industry	Modern Publishing Process: Innovative Practices	Master
